Quote	"Wayne White - for 26 years with the State Department's Bureau of Intelligence and Research, now with the Middle East Institute - calls Baghdad "a Shiite-Sunni Stalingrad." Imagine a third nation's army operating between (and against) both German and Russian forces in Stalingrad. That might be akin to the mission of troops sent in any surge."

Add or change this opinion item's references

This item takes a mixed stance on the position United States should increase troop levels on the topic Post-invasion Iraq.
