Quote

“ It's now pretty clear the Democrats will say anything, do anything and spend anything to shove some health-care deal -- any deal -- through. The union carve-out is perhaps the most egregious example of special-interest pandering, but doubtless other side deals are being cut as well. And none of them, you can bet, will help restore any of the hundreds of millions of dollars set to be stripped from federal health-care aid to New York.”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Patient Protection and Affordable Care Act.
