**Quote**

“ Since we would be providing 20,000 new targets for snipers and roadside bombs, how many do we calculate will die? It is unconscionable to think about dispatching more young men and women to Iraq without the realistic expectation that their presence will make a difference in a war that is no longer in our control.”

Add or change this opinion item's references

This item argues against the position United States should increase troop levels on the topic Post-invasion Iraq.
