Quote

“ "We need to junk the six-party talks and pressure Pyongyang on all fronts, toward the long-term goal of the collapse of its government. All of the North's sources of income are illegal — counterfeiting, WMD trade, and narcotics trafficking — and we can crack down on them further." **”**

Add or change this opinion item's references

This item argues for the position Economic sanctions should be placed on North Korea on the topic North Korean nuclear crisis.

This item argues against the position United States should negotiate with North Korea on the topic North Korean nuclear crisis.
