**Quote**

“ On some days, dozens of rockets fell on Sderot. A blimp hovered over the town, and when it electronically spied an incoming rocket, the sirens went off. In Sderot, the sirens were virtually a single, long wail on some days. Everyone took shelter because shelters are everywhere -- a constant reminder of the nearness of death or, at the very least, destruction”

”

Add or change this opinion item's references

This item argues for the position Israel was right to attack Gaza on the topic Gaza War.
