Quote

“ "The mission in Iraq has changed and, therefore, so must U.S. policy change. Troops should not be policing a civil war. The current conflict in Iraq requires a political solution. Listen to what General Petraeus said today from Iraq: "The war cannot be won militarily. It can only be won politically." We further believe that Iraq must take responsibility for its own future, and our troops should begin to come home." ”

Add or change this opinion item's references

This item argues for the position Coalition troops should pull out on the topic Post-invasion Iraq.
