Quote

“ Despite this declaration, backers of the Massachusetts system now maintain that Romneycare was never about controlling costs but simply expanding access to insurance. Five years in, Bay State residents are being told that global budgets, price controls and rationed care are not only necessary but good for their health. [...] Don't believe it. But do believe this — single payer is the logical and, indeed, likely extension of Romney-Obamacare. ”

Add or change this opinion item's references

This item argues for the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
