Quote

“ Last week marked a definite milestone, and perhaps a tipping point, in the drive to offer Americans better access to health insurance. With the number of people enrolled in new, individual plans under ACA topping 7 million, the law has gained a level of acceptance that makes all the effort it took to get here worthwhile. ”

Add or change this opinion item's references

This item argues against the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
