**Quote**

“ We didn't care for Kavanaugh's angry, defensive and at times rude behavior in front of the Senate Judiciary Committee. Nor did we care for nasty attacks on him by some senators. The confirmation process needs an overhaul. But we find no trace of an intemperate Kavanaugh in the 300 decisions he has written over 12 years on the U.S. Court of Appeals for the District of Columbia. ”

Add or change this opinion item's references

This item argues for the position Kavanaugh should be confirmed on the topic Brett Kavanaugh Supreme Court nomination.
