Quote

“What do the Israeli airport security people do that American airport security do not do? They profile. They question some individuals for more than half an hour, open up all their luggage and spread the contents on the counter-- and they let others go through with scarcely a word. And it works.”

Add or change this opinion item's references

This item argues against the position New procedures are justified on the topic TSA airport screening procedures controversy.

This item argues for the position Profiling should be used instead on the topic TSA airport screening procedures controversy.
