**Quote**

“ In the Iraqi election the consensus of all leading parties was that there is a need for a timetable for American withdrawal. Only a timetable accompanied by, and spurring, negotiations among all parties will give hope for an end to the instability and violence. One lesson from Vietnam, Palestine and Northern Ireland is that many insurgent nationalists can be drawn in, isolating those addicted to nihilistic sectarian violence.”

Add or change this opinion item's references

This item argues for the position Coalition troops should pull out on the topic Post-invasion Iraq.
