Quote	CC "Lynch told reporters, "What I believe is (that) al Qaeda has worn out its welcome. They've overplayed their hand, and their tactics have indeed backfired." More Iraqis are coming forward to share intelligence in ways that have not occurred before. U.S. troops are seizing weapons caches, which should reduce the number of bombs used against American forces. Lynch also noted that Iraqi troops are beginning to identify as Iraqis, not simply as Sunnis and Shiites. "	"
