Quote

"But Petraeus says the troop surge is necessary to conduct the mission assigned him by the president - and, we say again, implicitly ratified by the Senate when it confirmed the officer's assignment. How can anyone suggest that trying to deny the field commander the resources he says he needs - or seeking to undermine popular support for that mission - is anything other than a prescription for defeat?

"

Add or change this opinion item's references

This item argues for the position United States should increase troop levels on the topic Post-invasion Irag.
