Quote

“ Since the start of the year, the U.S. economy has barely kept its head above water, growing a measly 0.9% in the first quarter. That was almost entirely due to U.S. exports. There's little doubt that a free-trade-phobic Congress could be hurting one of the few parts of the economy that has kept us out of recession.”

Add or change this opinion item's references

This item argues for the position Agreement should be ratified on the topic Colombia-United States Free Trade Agreement.
