**Quote**

“ But the most efficient way to address these concerns is by making it easier for illegals to function in the light of day, where they would have every reason to pay all the taxes the rest of us do. And to enter the country through official checkpoints (and to leave the country through the same gates).”

Add or change this opinion item's references

This item argues against the position United States should build a fence along Mexican border on the topic Illegal immigration to the United States.
