Quote

“ Strip out the permanent government programs. Many of them are worthy, but we can have that debate another day. Make the short-term stimulus bigger. Many liberal economists have been complaining it is too small, so replace the permanent programs with something like a big payroll tax cut, which would help the working class.”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic American Recovery and Reinvestment Act of 2009.
