**Quote**   
“ PROMESA offers several pragmatic steps to set a path for recovery that should remain in the new version of the bill that emerges from current negotiations. These include: a federal control board to oversee Puerto Rico's finances, albeit one that recognizes Puerto Rico's sovereignty in at least some way; and granting the island the tools needed to restructure some of its debt under court supervision.”

Add or change this opinion item's references

This item argues for the position Puerto Rico should be allowed to declare bankruptcy on the topic Puerto Rican government-debt crisis.

This item argues for the position Puerto Rico should be managed by a financial control board on the topic Puerto Rican government-debt crisis.
