Quote

“ “Allegedly, this is all about North Korea's desire to press for bilateral talks with the United States, something the Bush administration has rightly rejected. In a bilateral setting, the blame for failure would inevitable redound to the United States” ”

Add or change this opinion item's references

This item argues for the position Economic sanctions should be placed on North Korea on the topic North Korean nuclear crisis.

This item argues against the position United States should negotiate with North Korea on the topic North Korean nuclear crisis.
