Quote

"Look around you, and take it all in. From now on, it gets worse. If you have kids, they'll live in smaller homes, drive smaller cars, live smaller lives. If you don't have kids, you better hope your neighbors do, because someone needs to spawn a working population large enough to pay for the unsustainable entitlements the Obama party has suckered you into thinking you're entitled to."

"

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Patient Protection and Affordable Care Act.
