Quote

“ While the various secretaries were articulating their abdications, Qaddafi was committing a slaughter in Zawiyah and employing his monopoly of the skies to drive the rebels out of Ras Lanuf. An eastern offensive is clearly imminent. (This is not a civil war. This is a war by a dictator upon his people. There is no other half of the Libyan population fighting for Qaddafi.) ”

Add or change this opinion item's references

This item argues for the position United States should impose a no-fly zone on the topic 2011 Libyan uprising.
