Quote

“ Mubarak's greatest difficulty has been securing reforms which have included the gradual replacement of incompetent (and usually army-managed) state enterprises with free markets, and the "normalization" of relations with Israel, from behind a rhetorical cover. His very survival in office has been an extraordinary accomplishment, to which Egypt owes what peace and prosperity it has had.”

Add or change this opinion item's references

This item argues against the position Hosni Mubarak should step down on the topic 2011 Egyptian protests.
