Quote

“ “The nation's farm policy is not only unfair and a waste of money. It's hurting the country's health by helping to foster an obesity epidemic through its crop-support policy. It's hurting the environment and contributing to energy and water shortages. It's hurting free trade by supporting an international system of protectionism for agriculture.” ”

Add or change this opinion item's references

This item argues against the position Bill should be passed on the topic 2007 U.S. Farm Bill.
