Quote

“ In Minnesota, less than two years after the Interstate 35W bridge collapse and less than a year after passage of the transportation bill, the debate has special meaning. However, decaying infrastructure is an issue of national significance, and the stimulus bill provides an opportunity to get the nation's transportation system back on the right track while creating jobs in the process.”

Add or change this opinion item's references

This item argues for the position Act should be passed on the topic American Recovery and Reinvestment Act of 2009.
