Quote

“ This week's war is not an attack on the Izzidin al-Qassam units -- our movement's military wing -- but is simply aggression targeting the people, infrastructure and economic life of Gaza, designed to sow terror and loose anarchy; it aims to establish new "facts on the ground" -- that is, heaps of rubble with bodies trapped beneath -- in advance of the coming American administration.”

Add or change this opinion item's references

This item argues against the position Israel was right to attack Gaza on the topic Gaza War.
