Quote

“ The best approach is to spread risks, not concentrate them. That's why the coverage guarantee in the healthcare reform law makes sense. Congress may not have found the perfect mechanism to provide that guarantee without driving healthy people out of the system, but the right response is to keep working on the new law rather than abandoning it.” ”

Add or change this opinion item's references

This item argues against the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
