Quote

“ A good number of Americans already believe the Supreme Court is nothing more than a mini-legislature with two warring factions, fighting for that fifth seat to deliver “wins” for its side. Putting a judge on the Supreme Court who expressed hatred and resentment toward a wide swath of the Democratic Party would shred whatever is left of the court's intellectual integrity. ”

Add or change this opinion item's references

This item argues against the position Kavanaugh should be confirmed on the topic Brett Kavanaugh Supreme Court nomination.
