“ If I had my druthers, in 2001, Bush would have pursued a real clampdown on illegal immigration while at the same time expanding legal immigration, including from Mexico. I don't even mind the idea of a one-time amnesty for illegals, if in fact it is a one-time deal. But again, a system in which we declare it's a one-time amnesty but mean nothing of the sort means that we have no policy at all.”
