**Quote**

“ Already the Saudis have sent an armored column to quell protests in Bahrain. Expect more of the same if Gadhafi clings to power. The Arab Spring could easily turn into a very dark winter that will arrest and reverse the momentum of recent pro-democracy demonstrations. That means consigning the entire region to a dysfunctional status quo ante in which the long-term winners will be al Qaeda and their ilk. ”

Add or change this opinion item's references

This item argues for the position United States should impose a no-fly zone on the topic 2011 Libyan uprising.
