Quote

“ Rather than building support at the United Nations, Mr. Bolton has more often solidified the anti-American coalition. We continue to believe that the president is entitled to the ambassador of his choosing, provided that the nominee is competent and honest. But we can't explain Mr. Voinovich's change of mind, nor why Mr. Bush supposes that this polarizing envoy advances U.S. interests.”

Add or change this opinion item's references

This item takes a mixed stance on the position Bolton should be confirmed on the topic Confirmation of John Bolton as U.S. Ambassador to the United Nations, 2006.
