**Quote**

“ KSM had expressed his willingness to plead guilty before a military tribunal. But instead of taking him up on his offer, this administration waited almost 10 months before deciding to move the trial to Manhattan. Press reports indicate that all five soon-to-arrive terrorists will now be pleading not guilty, and a lawyer for two of them has announced he will make their mental health an issue. No wonder these 9/11 family members are so mad.”
