**Quote**

“ The typical family pays more than \$1,000 a year in higher premiums to pay for someone else's care. Requiring young, healthy consumers to obtain health insurance -- just as motorists must buy auto insurance and some homeowners must buy flood insurance -- fairly spreads the risk. Sooner or later, they will need health care, and should be expected to pay for it. Personal irresponsibility is not a constitutional right. ”

Add or change this opinion item's references

This item argues against the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.

This item argues against the position Act is unconstitutional on the topic Patient Protection and Affordable Care Act.
