Quote

“ "The War Crimes Act is what links the United States to people of conscience throughout the civilized world. It is our claim to membership. It is what puts the strength of law behind our feelings of disgust at what the Bush administration has perpetrated. It is how American can and will hold this administration accountable and bring them to justice." ”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Military Commissions Act of 2006.
