Quote

"Iran would gladly draw the U.S. into a lengthy discussion of everything and nothing, and use this empty gabfest as a smokescreen to advance its agenda. But diplomacy is not an end in itself; to be meaningful it has to achieve specific aims and be based on confidence that both sides seek a mutually advantageous deal. Nothing suggests the Iranians have reached that stage yet."

"

Add or change this opinion item's references

This item argues against the position United States should negotiate with Iran on the topic Iranian nuclear crisis.
