Quote

“ If only questions about the command structure vexed the French, there would be little cause for worry. But there are ample signs that more is at work here than a table of organization. Maybe the French and other Europeans have just plain lost the political will.”

The following other items refer to this item: If Europe doesn't want Middle East war to begin again, it has to step up

Add or change this opinion item's references

This item argues for the position France should commit more troops on the topic 2006 Israel-Lebanon conflict.
