Quote

“ “The 2003 Libya deal, hinging on negotiations, cost us little in funding, nothing in lives, and was 100 percent effective in ending that nuclear program and reintegrating Libya into the world community. Even if such an effort fails with North Korea, we will have kept faith with our allies and laid the groundwork for an effective containment strategy” ”

Add or change this opinion item's references

This item argues for the position United States should negotiate with North Korea on the topic North Korean nuclear crisis.
