Quote

“A quickly and clandestinely assembled, 2,500-page bill that is nothing more than a tip of the hat to unions, and that further complicates the monstrosity that is our already heavily regulated health care insurance industry, is not progress. The only thing we know for sure about complicated business matters is that the free market sorts them out best over time.”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Patient Protection and Affordable Care Act.
