Quote

“ The essential benefits and cost limits are meant to prevent people with insurance from being bankrupted by medical bills — a distressingly common occurrence. But they're also part of a larger effort in the law to stop insurers from cherry-picking customers, leaving those who may need expensive treatments unable to find coverage. ”

Add or change this opinion item's references

This item argues against the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
