**Quote**

“ When it's all whittled down, as few as 12 million are unable to buy insurance — less than 4% of a population of 305 million. For this we need to nationalize 17% of our nation's \$14 trillion economy and change the current care that 89% like? ”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Patient Protection and Affordable Care Act.
