Quote

“ If we no longer have the stomach for this fight--and it's going to be ugly, with few sterling VIP Iraqis who will make us proud--then we should at least be honest with ourselves. Leaving Iraq will not make our world better. We will be a defeated nation. Our holy-warrior and our more mundane enemies will know it. And we can rest assured that they will make us pay.”

Add or change this opinion item's references

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
