Quote

“ "One union and the two smaller U.S. automakers should not be allowed to sink a deal that would improve relations with a strategic ally in Northeast Asia and deliver real gains to U.S. agriculture and industry -- not to mention American consumers. The Democrats' partisan embrace of rationalizations served up by labor and (part of) the auto lobby is not "a new day in trade policy." It's protectionism as usual." ”

Add or change this opinion item's references

This item argues for the position Agreement should be ratified on the topic U.S.-Korea Free Trade Agreement.
