**Quote**

“ ObamaCare mandates that insurers spend a certain percentage of premium dollars on benefits, but Democrats never got around to writing the fine print of what counts as a benefit. So a handful of regulators are now choosing among the tens of thousands of services that doctors, hospitals and insurers offer. Few other government decisions will do more to shape tomorrow's health market, or what's left of it.”

Add or change this opinion item's references

This item argues for the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
