Quote

“ “The resolution is winning international support from such traditional friends of Tehran as Moscow precisely because it does not attempt to crush the entire Iranian economy. But it does target the business ventures and people directly responsible for Iran's nuclear and ballistic missile programs, freezing the assets of research institutes, scientists, a major bank and seven senior members of the Iranian Revolutionary Guard, as well as companies that are owned by and help finance the guard's activities.” ”

Add or change this opinion item's references

This item argues for the position Economic sanctions should be imposed on Iran on the topic Iranian nuclear crisis.
