Quote

“ Perhaps most damning to the argument of those who say we are wrong about the House bill outlawing new individual private coverage is the creation of the exchange itself. If getting coverage from the exchange is the same as buying insurance in the private market, then why do we need it? The authors of the bill could have kept the private option by doing nothing.”

Add or change this opinion item's references

This item argues against the position Act should be passed on the topic Patient Protection and Affordable Care Act.
