Quote

“ "This reality is settling in at businesses across America. A Midwestern contractor told me he pays \$588,000 for health insurance for 70 employees, contributing up to \$8,400 a year for a family's coverage. If he stops providing health insurance, he'll pay \$2,000 per employee in fines, and the first 40 employees are exempt from fines altogether." ”

Add or change this opinion item's references

This item argues for the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
