Quote

“ Even in Baghdad, where the worst of Iraq's sectarian violence has occurred, 76% of those surveyed opposed ethnic separation, with only 10% favoring it. The challenge of the Baghdad Security Plan and its accompanying effort at national reconciliation is to realize the overwhelming majority of Iraqis desire to live in peace with one another against the violent minority who seek to impose their vision of hatred and oppression.”

Add or change this opinion item's references

This item argues against the position Iraq should be split up on the topic Post-invasion Iraq.
