Quote

“ If more Americans - including the president and those in Congress - had to make the personal sacrifice of sending a son or daughter to this war, some for a second or third time, or if they had to pay the ultimate sacrifice of losing a child in this war, we'd be long past the "support our troops" slogan. We'd be pulling out and concentrating on the real war: the war against terrorism.”

Add or change this opinion item's references

This item argues for the position Coalition troops should pull out on the topic Post-invasion Iraq.
