Quote

“ If the president commits the necessary resources along the lines recommended by Keane-Kagan, the radicalization of Iraq can likely be reversed. The political and democratic possibilities in Mesopotamia remain greater than most in Washington's foreign policy establishment imagine.”

Add or change this opinion item's references

This item argues for the position United States should increase troop levels on the topic Post-invasion Iraq.

This item argues against the position Coalition troops should pull out on the topic Post-invasion Iraq.
