**URL** <https://www.nytimes.com/2017/12/03/opinion/fcc-net-neutrality-internet.html>

**Quote**

“ Mr. Pai says net neutrality rules put in place by the F.C.C. in 2015 have discouraged broadband companies from investing in the business. But he bases that on cherry-picked statistics. In fact, a comprehensive analysis of publicly traded internet service providers by Free Press, a public interest group, found that investment was up about 5 percent since those rules were enacted. ”

Add or change this opinion item's references

This item argues against the position Net neutrality should be repealed on the topic Net neutrality in the United States.
