Quote

66 So let's say it out loud: The ACA is doing exactly what its supporters said it would do. It is getting health insurance to millions who didn't have it before. (The Los Angeles Times pegged the number at 9.5 million at the beginning of the week.) And it's working especially well in places such as Kentucky, where state officials threw themselves fully and competently behind the cause of signing up the uninsured.

Add or change this opinion item's references

This item argues against the position Act should not have been passed on the topic Patient Protection and Affordable Care Act.
