Quote

“Continuing to sacrifice the lives and limbs of American soldiers is wrong. The war is sapping the strength of the nation's alliances and its military forces. It is a dangerous diversion from the life-and-death struggle against terrorists. It is an increasing burden on American taxpayers, and it is a betrayal of a world that needs the wise application of American power and principles.”

Add or change this opinion item's references

This item argues for the position Coalition troops should pull out on the topic Post-invasion Iraq.

This item argues for the position United States should negotiate with Iran on the topic Post-invasion Iraq.
